Docket No. MC96-3

NOTICE OF UNITED STATES POSTAL SERVICE  
CONCERNING STATUS OF REGULATIONS PUBLISHED IN THE  
DOMESTIC MAIL MANUAL TRANSITION BOOK

The United States Postal Service hereby gives notice of the status of regulations published in the Domestic Mail Manual Transition Book (DMMT). On October 23, 1996, the Postal Service published a notice in the *Federal Register* announcing the transfer or rescission of specified regulations in the DMMT. 61 Fed. Reg. 55,053 (October 23, 1996). As set forth in Table I of the *Federal Register* Notice, a number of DMMT regulations were either transferred to the Domestic Mail Manual, the Postal Operations Manual (POM), or the Code of Federal Regulations, or rescinded in their entirety. As set forth in Table II of the *Federal Register* Notice, a few regulations published in the DMMT remain in force.

The Postal Service has undertaken to examine whether any responses to oral or written discovery in this proceeding were affected in substance by the transfer of regulations to the POM. A comparison of DMMT regulations cited in discovery responses with successor provisions in the POM has not revealed any substantial changes to such regulations.<sup>1</sup> Thus, participants can rely upon the original DMMT

---

<sup>1</sup> For instance, the time limit reported in DMMT § 915.52(a)(3), now POM § 815.2(a)(3), was changed from 8:30 a.m. to 10:00 a.m. Another example is found in former DMMT § 162.3, now POM § 211(b), where minor, nonsubstantive changes in wording were made. A third is former DMMT § 156.25, which specified that customers may choose the rural route from which they obtain service when multiple routes pass their boxes, at least in uncongested areas. DMMT § 156.25 has been succeeded by POM § 653.6,

cites or the succeeding provisions when making their arguments.

To aid the participants and the Commission, a copy of the *Federal Register* notice, with cross-reference tables, has been attached to this Notice. The Postal Service has also this day filed the latest edition of the Postal Operations Manual as a Library Reference in this docket. Participants who do not have access to the Commission or Postal Service libraries may purchase a copy of the POM by writing to the New Jersey Material Distribution Center, US Postal Service, 2 Brick Plant Rd., South River, NJ 08877-9998, or calling (908) 613-2375.

Respectfully submitted,

which empowers districts to make these route choices. Counsel is informed that the "uncongested" exception had effectively swallowed the DMMT rule, so POM § 653.6 actually continues the existing practice while also conforming to the First Status Report. Tr. 8/3218.

interconnection, and that the unresolved issues raised in CEI's appeal of the FERC order will be resolved in the rehearing process. I have concluded that the fourth issue raised concerning deviation charges for unscheduled power deliveries is primarily a tariff-related issue and falls clearly under the jurisdiction of FERC. The initial decision by the ALJ in this case addressed each of the concerns raised in this fourth issue. The final FERC decision in this matter will resolve these issues, and any excess amounts paid by CPP will be refunded with interest in accordance with FERC regulations. I have concluded that no enforcement action is warranted for this fourth issue. As a result of the foregoing, I have determined that no NRC proceeding should be instituted and no further regulatory action by the NRC is required.

##### Revision of the Domestic Mail Manual Transition Book

AGENCY: Postal Service.

ACTION: Notice.

**SUMMARY:** Effective August 1, 1996, the Domestic Mail Manual Transition Book (DMMT) is revised as shown in Table I. This revision reflects the transfer of many sections in the DMMT to Postal Operations Manual (POM) Issue 7, which was published with an effective date of August 1, 1996. All sections in DMMT chapter 3, chapter 5, chapter 6 (except 665), and chapter 7 (except 785) have been rescinded by new requirements published on July 1, 1996, in Domestic Mail Manual (DMM) Issue 50. These requirements were further amended by the *Federal Register* on August 15, 1996 (61 FR 42478-42489), for nonprofit mail standards that changed on October 6, 1996.

**EFFECTIVE DATE:** August 1, 1996.

**FOR FURTHER INFORMATION CONTACT:** Patricia Bennett, (202) 268-6350.

**SUPPLEMENTARY INFORMATION:** In revising the Domestic Mail Manual (DMM) for release as DMM Issue 46 on July 1, 1993, the Postal Service identified rules

and procedures in the DMM that did not govern the eligibility for, and use of, domestic mail services. The Postal Service made a determination not to include that material in DMM Issue 46 and in subsequent issues of the DMM.

The identified material chiefly fell into two categories: (1) recommendations for voluntary customer action; (2) internal instructions to postal employees. Other identified material not relating to mail classification included post office discontinuances, delivery policies, and philatelic procedures.

Pending the transfer of these rules and procedures to other documents, the Postal Service on July 1, 1993, published the identified material in a separate part of the DMM titled the Domestic Mail Manual Transition Book (DMMT). In creating the DMMT, the Postal Service provided that the rules included in that document remain in full force through June 30, 1994.

The purpose of that 1-year period was to allow the Postal Service to decide whether to rescind the rules in the DMMT or to incorporate them into other documents. As the following table shows, several changes have been made to the DMMT since its publication; however, the evaluation process is not yet complete.

The Postal Service rescinded the June 30, 1994, expiration date of the DMMT in a notice published in the June 20, 1994, *Federal Register* (59 FR 31655-31656) and in Postal Bulletin 21870 (6-23-94). Additional time will be required to complete the transfer of the remaining material.

Table I shows the DMMT sections removed or transferred, the effective date, and if applicable, the sections of POM Issue 7 or title 39 of the Code of Federal Regulations (CFR) into which such material was transferred.

Table II shows the DMMT sections that are still in force until further notice. Most of these remaining sections contain internal procedures for processing mailer applications.

Chief Counsel, Legislative.

October 17, 1996.

Reliv' International, Inc. ("Company") has filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act") and Rule 12d2-2(d) promulgated thereunder, to withdraw the above specified security ("Security") from listing and registration on the American Stock Exchange, Inc. ("Amex").

The reasons alleged in the application for withdrawing the Security from listing and registration include the following:

According to the Company, its Board of Directors unanimously approved resolutions on July 17, 1996 to withdraw the Security from listing on the Amex and instead, to list the Security on the Nasdaq National Market System "Nasdaq/NMS".

The decision of the Board followed a thorough study of the matter and was based upon the belief that listing the Security on the Nasdaq/NMS will be more beneficial to the Company's stockholders than the present listing on the Amex because:

(1) The Nasdaq system of competing market makers should result in

increased visibility and sponsorship for the Security of the Company as compared to the case under the single specialist system on the Amex;

(2) Greater liquidity and less volatility in prices per share when trading volume is light might be expected as a result of listing on NASDAQ as compared to the Amex;

(3) Listing on the NASDAQ system might be expected to result in there being a greater number of market makers in the Security of the Company and expanded capital base available for trading in such stock; and

(4) Because it might be expected that a larger number of firms will make a market in the Security, it might also be expected that there will be a greater interest in information and research reports respecting the Company and as a result there may be an increase in the number of institutional research and advisory reports reaching the investment community with respect to the Company.

Any interested person may, on or before November 7, 1996 submit by letter to the Secretary of the Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549, facts bearing upon whether the application has been made in accordance with the rules of the exchanges and what terms, if any, should be imposed by the Commission for the protection of investors. The Commission, based on the information submitted to it, will issue an order granting the application after the date mentioned above, unless the Commission determines to order a hearing on the matter.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.

Jonathan G. Katz,  
Secretary.
